

# APoE08G

## 8 Ports Passive Gigabit PoE Injector

Power Source

DC Terminal Block

- Simple Power up 8 Ethernet or Gigabit PoE devices by one power source
- Power by DC jack or Terminal Block connector
- Application use for AP, IP camera, IP phone

### Specifications:

Input Power	12VDC - 48VDC
Output Power	Depends on Input Power
Connector	Data In: RJ45 Power In: DC jack or Terminal Block Connector Data+Power Out: RJ45
DC Plug Connector	2.1 x 5.5 mm
Data Rate	10/100/1000Mbps
RJ45 PIN Define	Data: all PIN Power: (+)4, 5 (-) 7, 8
